Description

Dining table Ø 110 cm :
Dining table supplied with 1 or 2 extensions (W 55 cm), to be stored separately. Unlike the 2 tops, these extensions do not have a lip. The central base (in 50 mm x 10 mm section) is made from brilliant-chromed steel and is in two parts (attached to the tops) which move apart when one wants to install the extension(s). Where the tops are in ceramic stoneware, the extensions are in MDF clad in white Fenix whilst the edging is finished in white lacquer. This table accommodates 4 persons when closed, 6 with 1 extension in place and 8 with 2 extensions.

Dining table Ø 130 cm :
Dining table with integral folding extension (W 87 cm). Unlike the 2 tops, this extension does not have a lip. The central base (in 50 mm x 10 mm section) is made from white lacquered, brilliant-chromed or black-chromed steel and is in two parts (attached to the tops) which move apart when one wants to unfold the extension. Where the tops are in satin white lacquer, argile lacquer, smoked oak-effect veneer or walnut, the extension is always matched to the tops.

Where the tops are in white ceramic stoneware, the extension is either matched to the tops or in MDF clad in white Fenix.

Where the tops are in white marble-effect ceramic stoneware, the extension is always in MDF clad in white Fenix.

Where the tops are in metallic anthracite ceramic stoneware, the extension is either matched to the tops or in MDF clad in anthracite-stained ash veneer.

This table accommodates 6 persons when closed, or 8-10 with the extension in place.
