

NOMADE 2

Design by
Didier Gomez

Description

An aesthetic twist on the model NOMADE (1996), NOMADE 2 is more urban, Parisian even, in a 'Rive Gauche' spirit, in the French tradition of art deco. The structures, therefore, remain the same: however, the piped seam on the mattress has slimmed down to a band of thin piping whilst the covered buttons have become discreet stitch detailing and the back cushions clearly assert the refinement of their couture finish.

The lower face of the seat cushion of the large settee, large one-arm settees, large chaises longue and the two sections of the convertible corner group is covered in a 100 % cotton piqué ticking which is both removable and dry cleanable. This ticking is treated with 'HealthGuard' - antibacterial, fungicidal.
