

ODESSA

Design by
Mauro Lipparini

Description
Dining table with base in folded lacquered steel.

WOODEN TOPS : in matt varnished solid European walnut blockboard or natural solid oak, thickness 40 mm, with streamlined edges.

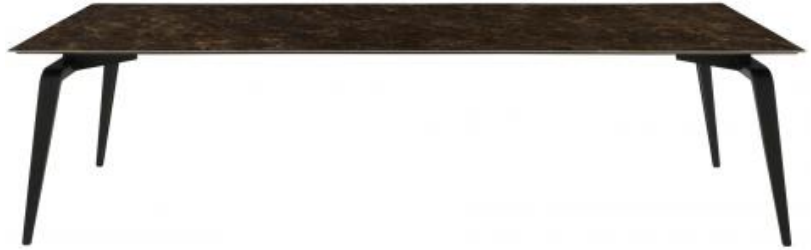

CERAMIC STONEWARE TOPS (for round and oval tables) : in 6 mm thick full body ceramic stoneware (metallic anthracite, white marble-effect, or white) glued onto an 8 mm thick sheet of glass (total thickness 14 mm).

CERAMIC STONEWARE TOPS (for rectangular tables) : in 6 mm thick full body ceramic stoneware (metallic anthracite, white marble-effect or white) glued onto a 12 mm thick black or white lacquered MDF set back slightly from the edge of the top & screwed to a 12 cm steel support set back 12 cm from the edge of the top.

MARBLE TOPS (round table Ø 130 cm only) : 20 mm thick Carrara marble.

The round tables Ø 130 cm and Ø 148 cm, the oval table and the rectangular tables L 200 / 220 / 240 / 260 are only available with fixed tops.

The rectangular table L 180 is available with a fixed or extending top (with 1 x integral 59 cm extension). In the wooden versions (natural oak and walnut) the extension (W 59 cm) is matched to the top. The top and extension are in 27 mm thick solid wood with streamlining on the long edges ; the blocks from which they are comprised are arranged transversally to ensure continuity between the appearance of the top and that of the extension, and to ensure that the top of the extension and the tops of the two half tops sit flush with each other when the extension is in place.
