

# POSTMODERNE

**Design by**  
Eric Jourdan

**Description**

In the case of these new pieces, Eric Jourdan's new range of furniture, the work was based around a specific design language. It is drawing which guided the project, the pencil drew, shifted, proportioned the constituent elements of the piece, putting the tops, for example, in complete balance with the offset legs. Light in appearance, asymmetrical, hollowed-out, these are the rounded forms beloved by Eric Jourdan.
