

MIRROR: SPERL

Design by
Lee West

Description

Lee West's new mirror is as timeless as the Sperl café in Vienna, Austria (1880) with its mirrors patinated by the passing of time. The Sperl large mirror is delicately hemmed with brass-plated steel, a nostalgic touch which softens the brilliance of the mirrored surface.

Mirror encircled by a brass-plated steel structure. Suspended by a natural leather strap. Supplied with a brass-plated hook.
